

## Acereo Hudiksvall: Road description

### By car from the south:

- Turn right **towards Hudiksvall** at the first exit to Hudiksvall from the E4.
- \*) Follow this road about 1300 m to a traffic circle.
- Turn right in the traffic circle (**towards Håstaholmen**).
- Follow this road 300 m to a railroad crossing.
- Cross the railroad (and you see the lab about 100 m straight ahead (= east)), and turn directly left (north).
- Follow this road turning right, and passing a small parking lot in front of a grey one-storeyed wooden house.
- Turn right at the first opportunity (directly after the cycle track), and drive south about 100 m.
- And you are at the FiberLab.

### By car from the north:

- Pass the first exit from the E4 to Hudiksvall (Route 66 and Shell station east of the road).
- Continue 3 km on the E4, and turn off the E4 at the exit **to Hudiksvall and Ljusdal**.
- Turn **towards Hudiksvall** and cross the E4 towards east.
- Follow the description above from \*.

### By train to Hudiksvall:

- Time table and information: [www.sj.se](http://www.sj.se)  
(2,5 - 3 hours from the Central Station in Stockholm)
- From Hudiksvall railway station: a walk of no more than 10 min.
- Cross the rails towards east from the north end of the platform.
- Follow the road along the rail south for about 1 km.
- And you are at the FiberLab.
